# GLOBAL CITIZEN SCHOLARSHIP

*London, Paris & Davos, Switzerland – June 2015*

## YOUR INNOVATIVE IDEA CAN TAKE YOU TO EUROPE

Apply to become an EF Global Citizen and, if selected, you'll travel on a free scholarship tour to Europe in June 2015 for our Global Student Leaders Summit, Innovation and the Future of Education. Explore London, Paris and Davos through the lens of education, while collaborating with fellow high school students from around the world to propose solutions to global education challenges.

### HOW YOU CAN APPLY

Education isn't bound by the four walls of the classroom. Learning moments—the ones that change the way you see the world and prepare you for the future—can happen at any time. With that in mind, create a video, digital media project or essay that addresses these questions:

**Tell us about a learning moment that's impacted your life.**

What made the moment so educationally powerful? How has it helped shape who you are today?

**Share with us an innovative idea you have about education.**

How will it better prepare today's students for tomorrow's world? How does your idea prepare students to become Global Citizens?

*The application deadline is  
October 31, 2014*
