

EF's Monthly Payment Plan

Our payment plan is designed to meet the needs of our travelers by making it simple and easy!

Your total tour costs are divided up over a longer period of time, allowing you to pay in smaller, more manageable increments.

Paying for your tour:

- Simply fill out your Enrollment Form and select your payment choice: direct debit from your checking account, credit or debit card.
- The total balance for your tour is then divided by the number of months before the final payment is due. This amount is automatically deducted from a checking account or charged to a credit/debit card every month.
- You can choose the monthly amount based on your initial down payment.

For example:

It's January and John is going on an EF tour to Italy and Greece the following March. The Program Fee is \$2,122. Therefore, Jon's monthly payments are only \$152.

TOTAL COST ÷ NUMBER OF MONTHS = MONTHLY PAYMENT TO BE DEDUCTED

$$\$2,122 \div 14 = \$152$$

Please review your group's price quote to find your exact monthly payment.
