Anyone can see the world.

YOU'RE GOING TO EXPERIENCE IT.

As you can see, your EF tour includes visits to the places you've learned about in school. That's a given. But it's so much more than that. Immersing yourself in new cultures—surrounded by the people, the language, the food, the way of life—creates inspirational moments that can't be listed in an itinerary. They can only be experienced.

And the experience begins long before you get your passport stamped and meet your **Tour Director** in your arrival city. It begins the moment you decide to go. Whether it's connecting with other travelers on Facebook, Twitter or Instagram, or delving deeper into your destinations with our online learning platform, **weShare**, the excitement will hit you long before you pack your suitcase.

When your group arrives abroad, everything is taken care of so you can relax and enjoy the experience. Your full-time Tour Director is with your group around the clock, handling local transportation, hotels and meals while also providing their own insight into the local history and culture. **Expert local guides** will lead your group on sightseeing tours, providing detailed views of history, art, architecture or anything you may have a question about.

When your journey is over and you're unpacking your suitcase at home, you'll realize the benefits of your life-changing experience do not end. They have just begun.

@EFtours I attribute my college semester abroad to the love for travel I discovered on an EF Tour in high school #traveltuesday

What you'll experience on your tour

Day 1: Fly to Peru

- Meet your Tour Director at the airport in Lima. Built on a coastal oasis at the foot of the Andes, Lima has served as Peru's capital since 1535. See vestiges of the city's rich colonial heritage, including the Government Palace, the Cathedral and the 17th-century San Francisco monastery. Prior to the Spanish conquest, the area was home to several Indian civilizations. You'll get a taste of contemporary Lima in the suburbs of San Isidro and Miraflores, which overlook the Pacific. At the Larco Museum, located in an 18th-century mansion built over a 7th-century pre-Columbian pyramid, you'll find the finest gold and silver collection from Ancient Peru, along with other outstanding examples of art and archaeological artifacts.

Archaeologists have yet to determine why the site, perched atop a mist-shrouded peak, was abandoned. See remnants of temples and terraces that have yet to reveal the true purpose of Machu Picchu—some believe only an elite Incan priesthood knew of its former existence.
