CENTRAL EUROPEAN QUARTET

Take a journey through the cobblestone streets and busy town squares of Central Europe, and see how the local folk traditions still thrive here in the 21st century. A waltz in Vienna, a Gothic church in Prague, the Glockenspiel in Munich—the evolving cultures of modern Europe are deeply tied to their rich and colorful histories.

Anyone can see the world.

YOU'RE GOING TO EXPERIENCE IT.

As you can see, your EF tour includes visits to the places you've learned about in school. That's a given. But it's so much more than that. Immersing yourself in new cultures—surrounded by the people, the language, the food, the way of life—creates inspirational moments that can't be listed in an itinerary. They can only be experienced.

And the experience begins long before you get your passport stamped and meet your **Tour Director** in your arrival city. It begins the moment you decide to go. Whether it's connecting with other travelers on Facebook, Twitter, or Instagram, or delving deeper into your destinations with our personalized learning experience, **weShare**, the excitement will hit you long before you pack your suitcase.

When your group arrives abroad, everything is taken care of so you can relax and enjoy the experience. Your full-time Tour Director is with your group around the clock, handling local transportation, hotels, and meals while also providing their own insight into the local history and culture. **Expert local guides** will lead your group on sightseeing tours, providing detailed views of history, art, architecture or anything you may have a question about.

When your journey is over and you're unpacking your suitcase at home, you'll realize the benefits of your life-changing experience do not end. They have just begun.

@EFtours I attribute my college semester abroad to the love for travel I discovered on an EF Tour in high school #traveltuesday

I signed up for this trip because I wanted to experience European culture and also meet new people. When we arrived in Budapest on the first day, I knew it was going to be a great and fun trip. By the end of the trip, I felt like I made 2 new friends and made a better friendship with my teacher.
