Live the language

To learn Mandarin, it helps to fall in love with China. Our Language Immersion Tours make both happen by combining authentic cultural experiences with interactive lessons taught out on the road. Each day has a theme—like food, art, or history—that connects the day's lesson to hands-on activities and conversations with locals. Your fluency expands along with your confidence and your passion for language. And through it all, your Language Immersion Program Director is by your side, supporting your language learning and highlighting every breakthrough moment.
