For nearly 50 years, EF has worked with educators across the world to help millions of students become global citizens by breaking down barriers of language, culture, and geography. With more than 600 schools and offices in over 50 countries, our staff can respond in person wherever you are, 24 hours a day. We're also an accredited educational institution, offering students the option to earn high school and college credit.

ABOUT SERVICE LEARNING TOURS

On an EF Service Learning Tour, you and your students work side by side with locals on community-driven projects in Africa, Asia or the Americas. EF partners with established nonprofits and NGOs—such as the Mariposa Foundation and WE Charity—to make sure your contributions are both meaningful and sustainable. Through hands on work and deep exposure to the local culture, students learn vital collaboration and problem-solving skills. They return inspired to make a difference at home, too.
