D-DAY 75

D-DAY: GERMANY AND FRANCE

9 DAYS | BERLIN | NORMANDY REGION | PARIS

LESSONS COME TO LIFE

On June 6, 1944, American, Canadian, and British forces made history as 156,000 soldiers landed on the heavily-fortified coast of France's Normandy region. This was one of the largest amphibious military assaults in history, and marks the beginning of the Allied invasion of Western Europe.

In honor of D-Day's 75th anniversary in 2019, join students and educators from across the country who will explore the historic sites of World War II. EF's exclusive educational partnerships and deep local access ensure that you're truly part of the action during once-in-a-lifetime events. You'll gain a new perspective on history and your place in it as you connect with community members, participate in ceremonies, and rediscover a significant moment that helped shape history.
