# YOU'RE GOING TO EXPERIENCE IT.

As you can see, your EF tour includes visits to the places you've learned about in school. That's a given. But it's so much more than that. Immersing yourself in new cultures—surrounded by the people, the language, the food, the way of life—creates inspirational moments that can't be listed in an itinerary. They can only be experienced.

And the experience begins long before you get your passport stamped and meet your **Tour Director** in your arrival city. It begins the moment you decide to go. Whether it's connecting with other travelers on Facebook, Twitter, or Instagram, or delving deeper into your destinations with our personalized learning experience, **weShare**, the excitement will hit you long before you pack your suitcase.

When your group arrives abroad, everything is taken care of so you can relax and enjoy the experience. Your full-time Tour Director is with your group around the clock, handling local transportation, hotels, and meals while also providing their own insight into the local history and culture. **Expert local guides** will lead your group on sightseeing tours, providing detailed views on history, art, architecture, or anything you may have a question about.

When your journey is over and you're unpacking your suitcase at home, you'll realize the benefits of your life-changing experience do not end. They have just begun.

*@EFtours I attribute my college semester abroad to the love for travel I discovered on an EF Tour in high school #traveltuesday*

## What you'll experience on your tour

### Day 1: Fly to Costa Rica

- Meet your Tour Director at the airport in San José.

### Day 2: San José | Tortuguero

- Travel by boat to Tortuguero.

Founded in the 1930s by Colombians exporting sea turtles and coconuts, Tortuguero today is accessible only by boat and home to just 700 residents. Next, explore the twists and turns of the Tortuguero Canals on a boat excursion. High rainfall and convergence of freshwater and the Caribbean Sea make the beaches, canals, lagoons, and wetlands of Tortuguero areas of exceptional biodiversity. See if you can spot a howler monkey, toucan, or maybe even a caiman.

### Day 3: Tortuguero

- Enjoy a boat tour through the Tortuguero Canals.
- Enjoy a visit to the Tortuguero National Park.

### Day 4: Sarapiquí

  - ➔ enjoy a ziplining tour.

### Day 5: Arenal region

- Time to see more of Sarapiquí or

- Travel to the Arenal region and get ready for an adventure to remember. Behold the perfect conical shape that emerges from the green hills of Alajuela: this is the fascinating Arenal Volcano. Overlooking the San Carlos Plain and the Pacific Lowlands, this mile-high volcano has been active for the past 7,000 years. You'll see the volcano from a different angle on your kayaking excursion. Not only does the volcano serve as a watershed for the lake, but it also provides thermal energy for the nearby hot springs.

### Day 6: Arenal region

- Hike to La Fortuna Waterfall.
- Enjoy the hot springs.

### Day 7: Guanacaste

The emerald Pacific glimmers alongside miles of beaches, a tropical paradise resembling a postcard. Take in the craggy bluffs cloaked in forests stretching tall above you and encounter local cattle ranchers driving oxen carts farther inland. Learn about Guanacaste's remarkable array of plant and animal life when you explore Rincón de la Vieja National Park. Located high in the mountains, this rain/cloud forest boasts numerous geothermal hot springs.
