D-DAY 80 | BE A PART OF HISTORY

France & The Netherlands

11 days | Amsterdam | Paris | Normandy

Explore the history of World War II in Europe as you travel from Amsterdam to Paris by way of Normandy. Commemorate the 80th anniversary of D-Day with ceremonies and special programming right where the historic landings happened, and learn about the lasting impact of World War II on France and the Netherlands.

Lessons come to life

On June 6, 1944, American, Canadian, and British forces made history as 156,000 soldiers landed on the heavily fortified coast of Normandy, France. This was one of the largest amphibious military assaults on record, marking the beginning of the Allied invasion of Western Europe.

In honor of D-Day's 80th anniversary in 2024, join students and educators from across the country to explore the historic sites of World War II. You'll gain a new perspective on history and your place in it as you connect with the local community, participate in ceremonies, and rediscover a significant moment that shaped decades of global affairs. EF's exclusive educational partnerships and deep local access ensure you'll be part of the action during this unforgettable event.
