

Global Leadership Summit: *The Impact of Water on Society*

JULY 3–15, 2024

Water touches almost every aspect of our daily lives—but have we realized its full potential? During this educational tour to Iceland and Denmark plus three-day leadership conference in Berlin, we'll dive in to better understand the importance of water and explore ways to harness this natural resource to make a bigger difference around the world.

What to expect on a Summit

It's all about making an impact in the way that matters most to you. You'll explore global topics to find what motivates you, combine that with your new, hands-on discovery of what matters to others, and use it all to make a difference that will last far longer than the Summit experience itself.

Thought leaders among us

Learn from experts during engaging workshops and discussions. Past Summit speakers include Al Gore, Jane Goodall, Sir Ken Robinson, and Soledad O'Brien.

Change you can feel

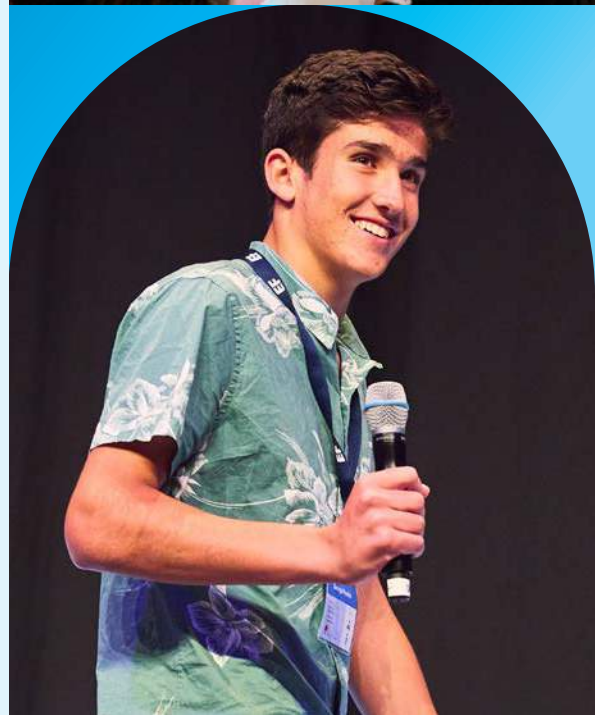

From innovative thinking to public speaking, every moment at an EF Summit is designed to inspire growth.

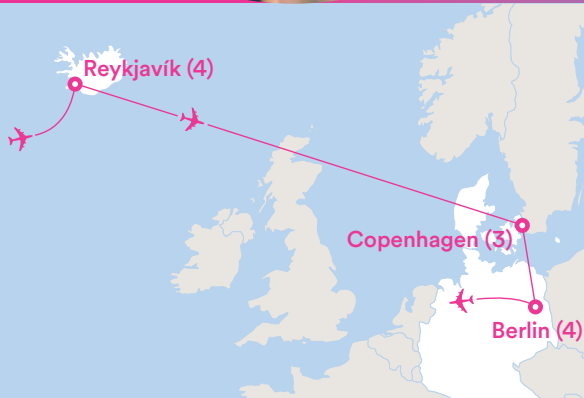

Project-based learning

Working on a small international team, you'll use the design-thinking process to create and present solutions to a global challenge.

Immersive travel

Explore Europe on an immersive educational tour centered around *The Impact of Water on Society*.

Your itinerary

Take a deep dive into how these countries make use of water as a natural and sustainable resource. Begin your journey in Iceland, a world leader in geothermal and hydroelectric power. Continue to Denmark, the world's most sustainable country, where you'll develop a new appreciation for the country's thoughtful water management. Conclude your trip in Berlin by further learning about *The Impact of Water on Society* at our inspiring leadership conference.
