COMMUNITY DEVELOPMENT IN TANZANIA
11 or 14 days

MEANINGFUL. SUSTAINABLE. UNFORGETTABLE.

Just a short distance northwest of the mighty Mount Kilimanjaro lies the Arusha region, where you will spend the majority of your service work while in Tanzania. There, you’ll work with locals to build and restore the region’s overcrowded and outdated schools, providing more children than ever with the chance to learn. You’ll also get the opportunity to travel to Lake Manyara Park for the chance to see the “Big 5” game animals.

We work with the award-winning WE Charity to better understand the needs of each community and then focus projects on those issues. Themes include:

- Education
